Maruti Suzuki India Limited reserves the right to change without notice - price, colours, equipment specifications, variants and also to discontinue models. Accessories and features shown in the pictures may not be part of standard equipment. For variant specific features, refer to the equipment list. Colours shown may vary from actual body colours due to printing on paper. Images are used for illustration purposes. 2020 Sales Points, 3200 Service Centres, 1652 cities covered by service network & over 34293 trained sales personnel as on 1st April, 2017. *The speed alert system gives an audible over-speeding alert to the driver. When vehicle speed exceeds 80 km/h, primary level warning with two beeps will sound each minute. When the vehicle speed exceeds 120 km/h, a secondary level warning with continuous beeps will sound. If the vehicle speed is lowered to about 118 km/h, the primary warning will resume. If the vehicle is slowed further to about 78 km/h, the speed alert will stop. The buzzer does not indicate any malfunction in the vehicle. *Spare wheel material is steel and spare tyre size is: LXi -155/80R13, VXi and above - 165/70R14.
